

# Local Happenings

Leafy Spurge, *Euphorbia esula*

## Noxious Weed Workshop, Free

The Douglas County Weed Management Department will talk with us about local weed issues and how best to handle noxious weeds on your property. We will cover biocontrols, mechanical controls, and chemical techniques for controlling noxious weeds. Bring your questions for the weed professionals.

**Call or email Heather to register, space is limited.**

**When - Thursday, May 18, 5:30 - 6:30pm**

**Where - Fire Station 181, located at 1959 N State Hwy 83, Franktown, CO 80116**

---

## Soil Workshop, Free

The Colorado State University Extension Office will lead us through their soil test process (bring a cup of your own soil if you like), learn about our local soil conditions and how to use it *to your advantage* at this engaging workshop. Led by John Murgel, Extension Specialist, Horticulture and Natural Resources with support from the Douglas County Farm Bureau.

The Douglas County Farm Bureau will be providing a light dinner, come hungry!

**Call or email Heather to register, space is limited.**

**When - Thursday, June 1, 5:30 - 7:00pm**

**Where - Douglas County Fairgrounds, Events Center, 500 Fairgrounds Rd, Castle Rock, CO**

## Local Workgroup Session, Free

The Douglas County Conservation District partners with the USDA Natural Resources Conservation Service (NRCS), to identify your local natural resource concerns like healthy soil, noxious weeds, ways to deal with drought, and urban farming to name a few.

NRCS seeks input from the local community regarding your natural resource issues. Results from this work session inform the NRCS about local concerns and drive federal dollars to address those issues. Come and share your natural resource concerns with us at this session.

Pizza will be served. Please bring your own drink. Registration is required. **Call or email Heather to register, space is limited.**

**When - Thursday, June 8, 5:30 - 6:30pm**

**Where - Fire Station 181, located at 1959 N State Hwy 83, Franktown, CO 80116**

**The Douglas County Conservation District's Mission is helping people help the land by promoting projects through education to further sustainable use of natural resources, while balancing the needs of agriculture and urban growth.**
